

## French (European, France)

Instruments that have been developed

Long versions CDI:WG: 8-16, CDI:WS: 16-30, both published in 2007

Short forms: 12, 18 and 24 months, published in 2010

Are the instruments available to others? If so, how they may be obtained – send a message to [sophie.kern@cnrs.fr](mailto:sophie.kern@cnrs.fr)

Are norms available for any of these? If so, how they may be obtained – send a message to [sophie.kern@cnrs.fr](mailto:sophie.kern@cnrs.fr)

Is there a manual for these instruments? If so, how it can be obtained  
Kern & Gayraud 2010. IFDC. Les éditions la cigale, Grenoble, France

Are there other CDI instruments that are currently under development?  
CDI-III – 30 to 48 months
